SERIAL NO. 1

TO

The Dewan of Mysore

Dated Bangalore, 23rd April 1896.

SIR,

The want of uniformity in the classification of charges under the head of Contingencies in the Jail Departments of the Several Provinces having attracted the notice of the Government of India in the Home Department, steps were taken, in communication with Local Governments and Administrations, for a modification of the classification. A list of the sub-heads and detailed heads for the administrative Returns of the Jail Department was thereupon prepared and approved. This necessarily involved an alteration of the books in the office of the Comptroller of India Treasuries.

2. As the accounts of the Civil and Military

Station

2

Station of Bangalore are embodied in the accounts of the Comptroller of India Treasuries, Corresponding alterations have to be made in the books of the ~ Residents Treasury here. To allow of this being done I am to forward a list of the sub and detailed heads of account, and to inquire whether it is possible for the Durbar to portion out its claim so far as regards the maintenance charges of the prisoners from the Civil and Military station confined in the Central Jail of Bangalore in the form prescribed.

3. If this can be done, I am to ask that the payment of the sum of Rs 4,119-11-11 made for the year 1895 on the above account may be so classified, a statement of such classification furnished to this office, and future demands drawn up in the same way.

I have the honor to be.

Sir,

With reference to your docket No 932/9 dated 6th Instant, forwarding in original Memo No 12142/1376 dated 1st Idem from the Secretary to the Government of Mysore, Revenue and General Departments with its enclosures (returned herein) and requesting to furnish the information called for by Government, I have the honor to state that the cost of maintenance levied at present for the prisoners of the Civil and Military Station is at a fixed rate viz Rs 84/- per year per head of Native, and Rs 120 per year per head of European prisoners, without any reference to the cost actually incurred on their behalf by the Jail. I need not say that the cost

actually levied cannot, and as a matter of fact, does not, tally with that actually incurred, the latter being usually in excess of the former. For example:- the cost per head of maintenance actually incurred in the last official year (1894/95) was Rs 90-13-9 exclusive of the charges incurred under head "Buildings and Repairs" which was borne by the department of Public Works, and therefore not debited against Jail. The actual cost, therefore, if apportioned; under the Sub heads and detailed heads, will exceed the cost actually levied.

The different sub heads under which the budget allotments are made at present are as follows:-

Rations
Hospital charges
Contingent charges
Office Contingencies
Clothing to Prisoners and Servants
Reward for apprehending offenders
Charges for hanging Prisoners
Contingent Guard

Monthly bills are made out according to

Encl 6 to 45

these sub heads and accounts kept in the office accordingly It will not be practicable therefore to furnish the details in the proposed form for costs already incurred, but if ordered the same may be adopted hereafter not only for the Civil and Military station prisoners but for the Mysore Prisoners as well. I need not say that to keep accounts for the two classes of prisoners as above said on two different systems, will necessitate an additional office establishment besides causing considerable difficulty not to say confusion in the accounts.
